* Hand Drawn rods longer than 106" will be shipped in 2 pieces and can only be used as a center opening.

* One Way rods can only be made up to 106".

* Center Draw rods longer than 106" will be shipped in 2 equal parts to save transport costs.

Important: Sideways installation must be specified so the factory can make necessary adjustments.

Hand Drawn ensembles include rodding, Clic glides, 36" fling wand, splice and supports.

One Way and Center Draw ensembles include rodding, Clic glides, pulley, splice and supports.
