Please Note:
 It is not possible to cut down Corded Nexgen Wood rods on site due to internal notching.
 It is possible to cut down Hand Draw Nexgen Wood rods at the installation site.

* Rods longer than 106" will be shipped in 2 equal pieces to avoid high transport costs.

Hand Drawn ensembles include rodding, **Ball Bearing Carriers**, 36" fling wand, splice & supports.
 One Way and Center Draw ensembles include rodding, **Nexgen glides**, pulley, splice & supports.

Corded rods do not include Ball Bearing carriers, as they cannot be inserted at installation site.
